

SUMMER RISING STUDENT CONSENT FORM FOR COVID-19 TESTING

What is this form?

We are seeking your consent to test your child for COVID-19 infection. The New York City Department of Education (NYC DOE) and New York City Department of Youth and Community Development (DYCD), working with NYC Health + Hospitals and the New York City Department of Health and Mental Hygiene, have partnered with laboratories and other providers to test Summer Rising participants, teachers, and staff members for COVID-19 infection.

How often would you test my child?

We are arranging for our laboratory and provider testing partners to come to every Summer Rising program periodically to test some of the participants, teachers, and staff. If you consent, your child may be selected for testing on one or more of these occasions in accordance with program guidelines. In addition, your child may also be tested throughout the duration of the program (1) in accordance with state and city mandates, or (2) if they exhibit one or more symptoms of COVID-19, or (3) if they are a close contact of a participant, teacher, or staff person with COVID-19 infection.

What is the test?

If you consent, your child will receive a free diagnostic test for the COVID-19 virus. Collecting a specimen for testing involves inserting a small swab, similar to a Q-Tip, into the front of the nose and/or collecting saliva (spit).

How will I know if my child tests positive?

If your child has a specimen collected for testing at Summer Rising, we will send information home with them to let you know. COVID-19 test results will generally be provided within 48-72 hours.

What should I do when I receive my child's test results?

If your child's test results are positive, please contact your child's doctor immediately to review the test results and discuss what you should do next. You should keep your child at home and inform your child's Summer Rising program coordinator. If your child's test results are negative, this means that the virus was not detected in your child's specimen. Tests **sometimes** produce incorrect negative results (called "false negatives") in people who have COVID-19. If your child tests negative but has symptoms of COVID-19, or if you have concerns about your child's exposure to COVID-19, you should call your child's doctor. If you need help finding a doctor, call (844) NYC-4NYC.

CONSENT

By signing below, I attest that:

- I have signed this form freely and voluntarily, and I am legally authorized to make decisions for the child named above.
- I consent for my child to be tested for COVID-19 infection.
- I understand that my child may be tested at multiple times through September 1, 2021, and that testing may occur (1) on days scheduled by the NYC DOE and/or DYCD in accordance with program guidelines or state and city mandates, or (2) if they exhibit one or more symptoms of COVID-19, or (3) if they are a close contact of a participant, teacher, or staff person with COVID-19 infection.
- I understand that this consent form will be valid through September 1, 2021, unless I notify the designated contact person from my child’s Summer Rising program **in writing** that I revoke my consent.
- I understand that if I revoke my consent or refuse to sign, my child may be required to continue their participation remotely.
- I understand that my child’s test results, and other information may be disclosed as permitted by law.
- I understand that if I am a participant age 18 or older, or may otherwise legally consent for my own health care, references to “my child” refer to me and I may sign this form on my own behalf.
